EXPERIENCE

Fincrue Limited, UI UX Designer

June 2021 - AUGUST 2021

Created user-centered designs by understanding business requirements, and user feedback and also created user flows, wireframes, prototypes, and mockups transplanting requirements into style guides, design patterns, and attractive user interfaces

Hindustan Shipyard Limited, Industrial Trainee

Got trained by Hindustan Shipyard Limited to gain practical knowledge, skills, and the feel of an actual working environment to develop myself and build confidence.

TRAINING CERTIFICATE

PROJECTS

SMAPSY — UX Case Study of Instagram redesign

Redesigned Instagram by solving the current problems of users, added additional features that most users want, and made some implementations that solve privacy-related problems.

Instagram Redesign

SPRING-POWERED CAR TOY

Practically applied the knowledge of manufacturing processes in car making and used the concept of energy conversion for the movement of cars by converting spring energy to kinetic energy.

Facebook clone — Web Development

Designed a responsive home page of Facebook.

Facebook clone
